Demonstrations and Handmade Wool Art and Crafts
by Saskatchewan artisans

Watch an artist at work creating a picture from wool via needle felting

Visit with spinners and knitters at their spin circle;

Bring your own equipment, sit and join them for a spell

Take part in the fleece skirting demonstration that will emphasize finding faults in a fleece and determining best market avenue

View members of the spinners and weavers guild as they undertake turning a raw fleece into a finished shawl over the course of three days. See the processes of picking and carding wool to prepare for spinning, spinning and plying yarns and weaving a shawl all done by hand

Visit the fibre display and learn more about Saskatchewan's newest fibre mill

Chat with the owners of Custom Woolen Mills of Alberta

Browse the displays to view all the ways wool is used in the artisan world
