Flock Health Management

Lambing Time Management

Shearing and Wool

Biosecurity and Why it's Important

Predation Management

This virtual course via zoom will cover the basics of getting started in the sheep industry. It is designed for those who are looking at getting into sheep and those who are already in the business at the beginner level. Course schedule January 27th 7-9:30, January 28th 7-9:30 pm and Saturday January 29th 9:30 am – 3pm.

Presenter Bio: Gord has been heavily involved in the sheep industry for over 35 years, 28 years as a large flock producer and 23 years working as the Executive Director for the Saskatchewan Sheep Development Board. He brings a wealth of experience from both the production and industry operations.

Gord's goal is to share his experience and help individuals get a good start in the sheep industry.

The registration fee is \$175 plus GST per person or \$300 plus GST per couple. Registration includes a manual with all course power point presentations.

A \$50 non-refundable deposit is required to reserve a spot. Class size is limited to allow for a good interactive learning experience>

Registration deadline is January 20, 2022. Please register by phoning the Saskatchewan Sheep Development Board at (306) 933-5200 or email: sheepdb@sasktel.net
